Importers holding any of these items in bond must clear them out of bond store as soon as possible, bringing input VAT to account.

The rebate facility under item 311.01 has been extended to include hydrogen peroxide (TH28.47) as well as various pigments of TH 3204.17; 3206.11 and 3206.20.

The extension of rebate registrations by SARS is not an automatic process: clients who use these products for the manufacture of textiles should ask SARS to extend their rebate registrations to include them.
