Customs Registration Drive

SARS has begun a re-registration drive for clients who are financially active with SARS **Customs** division.

The re-registration drive will consist of two phases. In the first phase clients will be approached by SARS (Customs) and asked to re-register. Any client who receives such a request from SARS (Customs) should contact the regional Customs Specialist at their nearest Safcor Panalpina office for assistance where necessary.

Safcor Panalpina will advise all clients when SARS commences phase 2 of this drive and of the process to be followed by them when this begins.
