

Safcor Panalpina's bulletin to our valued partners

18 April 2011

Durban Terminal Delays

Although the berthing delays at Durban harbour appear to have diminished over the weekend, there has been no improvement in collection rates from the terminal. Trucks are reported to be waiting for 24 hours or longer in the staging area before being allowed into the terminal for collections.

With four public holidays and two weekends in the next fourteen days, the situation is not expected to show much improvement in the very near future.
