

Safcor Panalpina's bulletin to our valued partners

27 May 2011

Durban delays

Durban's container terminal was inoperable because of strong winds for much of Thursday 26th May. Long truck queues and severe delays in moving containers out of the terminal have resulted from this. High winds are forecast over the next few days which may cause further disruptions.

Should you require any further information, kindly contact your nearest Safcor Panalpina office.
