### Extended Logistics Capabilities : Cape Town

As part of our ongoing commitment to improve our service offering, coupled with our experience and understanding of complex international and national supply and demand chains, Safcor Panalpina are proud to introduce extended logistics capabilities in Cape Town.

Benefiting both the large and small customer, our extended logistics facility based in Montague Gardens, comprises 4,830 square meters covered and 2000 square meters uncovered, bonded and free store facilities.

A critical component in any logistics solution, warehousing provides the collection, consolidation and clearing points within the supply chain which allow it to function efficiently.

We invite you to explore a differentiated approach specific to your needs, to improve your cargo flows and maximizing your company's supply chain efficiency, based on best practice. Please contact Safcor Panalpina Cape Town.
