Gauteng Transport Disruptions

Planned protest action in Pretoria today against the AARTO system by taxi, bus and other drivers has seriously disrupted passenger transport services in the Gauteng region. As a result many of our employees have experienced difficulty in getting to work and we expect delays in the processing, handling and delivery of cargo to occur.

Clients in the Pretoria CBD and along the planned march route to the Union Buildings are also warned that deliveries to their premises may be disrupted as a result of this protest action.
