Johannesburg Training Opportunities

We offer a series of training seminars to our clients and their employees on an ongoing basis at our Isando (Wrench Road) offices throughout the year.

The popular "Import" and "Export" training workshops offer attendees insights into the complexities of international supply chain movements and an understanding of some of the jargon that surrounds international trade.

The first workshop in the 2011 series deals with Imports and will be held on Thursday 27th January starting at 09h00 for 09h30 and ending at about lunch-time.

For a FREE invitation to this or any other session interested, parties should contact Charlene Cole (charlenec@safcorpanalpina.co.za) or 011 570 6266.
