O R Tambo Delivery Delays

An influx of cargo in the past weeks has created delays in the drawing and delivery of airfreight.

Cargo Terminals and airline warehouses at OR Tambo International Airport are extremely congested at present.

Service at all airline warehouses is very slow. Drawing lead times are up to five hours after submission of releases. As a result there are sizeable backlogs in obtaining and delivering cargo to clients at present.

Safcor Panalpina will continue its efforts to expedite the process.
