O R Tambo Delivery Delays—Update

Cargo Terminals and airline warehouses at OR Tambo International Airport continue to be very congested, although concerted efforts made in recent days to clear backlogs have resulted in a slight improvement.

Delays in drawing cargo from airlines continue to be the order of the day as is clearly illustrated in this photograph taken on Monday afternoon 14th June:

Safcor Panalpina will continue its efforts to expedite the process and will advise clients should there be a further deterioration in the situation.
