21 February 2011

### Road Transport Strike Update—Final

The roadfreight industry wage agreement for 2011/2012 is expected to be signed this afternoon. It is hoped that all striking workers will have returned to their posts by tomorrow (Tuesday) morning.

Although the strike has been of relatively short duration, backlogs have built up in some areas. These may take several days to resolve. Safcor Panalpina is now directing its energies to expediting deliveries of all delayed cargo on behalf of its clients.
