### SARS Customs Alert : Duties on Air Conditioners

A recent amendment to the Harmonized Commodity Description and Coding system now provides for the classification of outdoor units for split system air conditions in tariff heading 84.15. These outdoor units are currently classified in tariff heading 84.18. SARS Customs will accordingly classify outdoor units in tariff heading 84.15 which could affect the duty structure. In discussion with SARS Customs, it was indicated that the tariff amendment will be published in due course and we will keep our clients informed accordingly.
