**SARS Customs Tariff Amendments**

Provision has been made in tariff subheading 0207.12.10 for frozen, mechanically deboned chicken meat, not cut in pieces at a rate of duty of FREE.

The wording of tariff subheading 3919.90.23 has been amended to change the width from "cm" to "mm" with retrospective effect to 14 August 2009.

Provision has been made in tariff subheading 9405.40.80 for rope lights, having a casing of polymers of vinyl (chloride) with an outside diameter of 13mm or more, but not exceeding 15mm, internally fitted with interconnected lamps at FREE of duty.

The duty on synthetic filament yarns of nylon and polyester classifiable in tariff headings 54.01 and 54.02 has been reduced to FREE. As a consequence, certain rebate provisions have been deleted. Clients are, however, reminded that yarns entered under rebate prior to this amendment must be used in accordance with that rebate item.

Provision has been made in rebate item 460.04 for a full rebate of duty on mango juice concentrate, with a Brix value exceeding 25, classified in tariff subheading 2009.80, in such quantities, at such times and under such conditions as the International Trade Administration Commission may allow by specific permit.

The anti-dumping duty on fabric containing acrylic fibres originating in or imported from Turkey has been terminated and as a consequence, anti-dumping items 211.06/5512.21; 5512.29; 5515.29; 5515.91; 5801.34; 5801.35; 6001.10; 6001.22 and 6001.92 have been deleted with effect from 10 November 2009. It follows that the corresponding rebate provision in item 460.11 has accordingly been withdrawn with effect from 10 November 2009.
