### Weather Related Delays: Europe

### Airfreight Fuel Surcharge Increase

#### Weather Related Delays: Europe

Due to severe weather conditions in Europe, more and more delays relating to delays and cancellations of flights, train and truck connections are being experienced.

Most flights to Europe have been delayed and airlines are not accepting bookings for airfreight export cargo to Europe until at least Thursday.

#### Airfreight Fuel Surcharge Increase

As a result of the jet fuel price increases, the fuel surcharge on Panalpina own controlled flights, will increase from EUR 0.70 per kilogram to EUR 0.75 per kilogram. This becomes 1 January 2011.

It is expected that most airlines will follow suit.
