World Cup Business Hours/Road Closure update

World Cup Business Hours

Will you be closing early?

Some clients have indicated that they will be closing early for the SWC opening ceremony on 11th June.

If your business will be closing early on this day, or at any other time during the course of the SWC, we request that you please let your channel controller or client services representative have details of these intended closures as soon as possible.

The information is needed for staffing and operations planning to ensure minimal disruptions to clients during this period.

Road Closure Update
